JESSICA HAVILAND
DIRECTOR OF RESEARCH & DEVELOPMENT

Dear Chrissie:

I would sincerely like to thank you for allowing Christi and I to interview with you. We have had a great response from the radio time you gave us. *National Depression Screening Day* was a huge success, and your participation allowed us to reach a broader audience. *National Depression Screening Day* has an important impact on the lives of individuals affected by mental illness in San Antonio, and your support is greatly appreciated.

There also has been a tremendous response to the 15+ program. Our interview was the program's first publicity attempt and we have received several calls asking for the program's materials. Mental Health Association in Greater San Antonio strongly believes in these two programs and feels that they can positively impact our community.

We are hosting a Fall Fundraiser on November 9th at John T. Floore Country Store in Helotes. Floores and the music of Two Tons of Steel add fun and Texas flavor while helping us recognize supporters, donors and volunteers of the mental health community. The Fall Fundraiser will allow MHA to raise both funding and awareness of mental health issues. The funding received will help us to continue the crucial programs and services that eliminate the stigma surrounding mental illness, promote system level change through research and educate the public on mental health issues.

Mental Health Association in Greater San Antonio would like for Y100, KCYY, to sponsor our Fall Fundraiser by providing pre-event promotion and hosting a live remote from Floores Country Store the night of the event. San Antonio and MHA need your support during this emotional time in our community. If you could help me with this I would greatly appreciate it. Please feel free to call at 614-7566.

We greatly appreciate the support you have given us and we look forward to having your continued support.

Thank you,

Jessica Haviland, BHA
Director of Research and Development

Dear Alice Ian,

The purpose of this letter is to express the gratitude of the Esperanza Public Information Committee of Narcotics Anonymous for running the N.A. public service radio interview.

We feel that it is very important that we bring to your attention the impact this radio interview has on addicts, on families of addicts, and on friends of addicts. It seems that people who suffer from the deadly disease of addiction reach a point of total defeat. They are then ready to admit that they have no control over their drug use and become willing to seek and to accept help. It is crucial that they are aware that there is a fellowship and a program available to them in which addicts help each other to stay clean.

We are very grateful to your station for the part you play in circulating the message that recovery is possible and there is a solution. We feel that as a result of your support many people are now aware that they can lead a clean healthy, and productive life.

Sincerely,

Alice M. McGraw

Dear Christine,

May 27, 2003

On behalf of the Arthritis Foundation South Texas Chapter, I want to thank you for your wonderful interview promoting Arthritis Awareness Month: the Arthritis Walk. I thoroughly enjoyed our "on-air chat" and I know Dr. Tom Kenner feels the same. The Arthritis Walk was a success - over 200 participants. Many of our walkers heard about the event on KONO, so I thank you for playing such a vital role in the fight against arthritis!

On behalf of the Northwest Family YMCA, we would like to thank you for being a sponsor of the 1st Annual Just For Feet & Reebok Holiday Hustle 5K Run/Walk. We had close to 200 participants, 50 volunteers, and many supporters. We had local media coverage by KENS 5, and radio station Magic 105.3, which enabled us to inform our community about our Y- Partners Campaign.

As a non-profit organization, we depend on the generosity of our area businesses to make our events extra special. Your contribution has allowed us to offer scholarships to families that would not otherwise be able to participate in our programs. Thank you again for helping us during our 1st Annual 5K Run/Walk and making our day more exciting through your sponsorship. Your generosity was greatly appreciated.

Healthfully yours,

The 2003 Randolph AFB Air Show was a resounding success. The weather was beautiful and over 200,000 folks attended what was deemed as one of the best air shows Randolph AFB has ever hosted! The commercial sponsorship of the event significantly contributed to the success of the air show. In particular, your assistance and Magic 105 Radio's sponsorship helped provide for the children's entertainment area that was a highlight of the event. Please thank your organization and all those individuals who made sponsorship possible. On behalf of all participants, thank you for your generosity in supporting the Randolph AFB Air Show.

Dear Friend Of the Bradley M.S. Band:

We would like to thank you for the generous donation that you gave towards our Silent Auction. The Silent Auction was held on December 3rd, 2002 in conjunction with our holiday concert and tamale dinner. We are happy to inform you that the Silent Auction was a great success!

Because of your kind donation of a product or service, you served our band in many ways. A few examples of our ongoing needs include: new instruments needed, repairs for existing instruments, music and supplies, contest fees, uniform upkeep, and band hall improvements.

This was the first-ever Silent Auction for our band. It was inspired and organized entirely by volunteers donating their time and talents. Your contribution greatly aided this effort dedicated to continuing and improving the Concert and Jazz Band programs at Bradley Middle School. These programs enrich our students by providing them with a solid foundation for learning and advancing in the Musical Arts field.

Again, we thank you for your participation in our Silent Auction. To express our thanks, the band has signed a note of thanks that you will find enclosed. We would be pleased if you display this at your place of business.

If you require any further information or assistance, please call the Bradley Band Hall at 491-8300, ext. 763 and leave a voice message. A band director or parent volunteer will call you back to help with any questions you may have.

We Sincerely Thank You,

RE: BROADCASTERS DONATE MORE THAN A HALF-BILLION DOLLARS IN
PUBLIC SERVICE

Dear Caroline:

The broadcast industry rarely gets credit for the vast amount of public service efforts and cash contributions radio and television stations provide their local communities. Year after year, stations across Texas conduct or participate in countless events such as clothing and food drives, fundraisers, or disaster relief efforts.

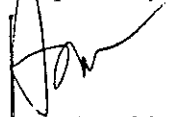

In order to help spread the word of the wonderful work broadcasters do, the Texas Association of Broadcasters created an important tool your station can use to raise awareness with lawmakers and the public about these contributions. Enclosed is a report documenting the more than \$500 million worth of public service Texas broadcasters donated in the one-year period from July 2001 – June 2002. The report is based on 429 responses to TAB's public service questionnaire and is an excellent tool to include in any presentations to lawmakers, in press kits, or even in the station's public file.

Furthermore, the amount has risen dramatically over the past years. In 2000, TAB documented a contribution of \$404 million and that increased to \$448 million in 2001. The \$500 million reported in 2002 represents an increase of almost \$100 million in just two years!

I hope the enclosed information will serve you and your station well. If you would like additional copies of the public service report, please contact Craig Bean, TAB's public service manager, at (512) 322-9944 or craig@tab.org.

Thank you for all you do for your community. As always, please let us know how we can help.

Respectfully,

Ann Arnold

Dear Caroline:

Your leadership and participation in the Texas Association of Broadcasters has allowed us to accomplish great things on behalf of the industry during the past year.

I hope you'll take great pride in your contributions toward these achievements, which are outlined in the enclosed Stakeholders' Report.

The next 12 months will be extraordinarily challenging as state lawmakers grapple with the largest projected budget shortfall in more than a decade. Continuing national security concerns are giving some interest groups an excuse to restrict newsrooms' access to information on how our government operates. Federal policymakers also can be expected to continue their tradition of pursuing agendas that rarely take a realistic view of what it takes to run a business and serve our audiences.

Rest assured that TAB will remain vigilant at the state and federal fronts to protect broadcasters' interests, while continuing our efforts to make it easier for you to operate your stations and serve your local communities.

As we celebrate our 50th Anniversary in 2003, we look forward to working with you to help build an even stronger broadcast industry. I encourage you to call on me or my staff whenever you need anything.

Thank you for all you do for TAB and for Texas!

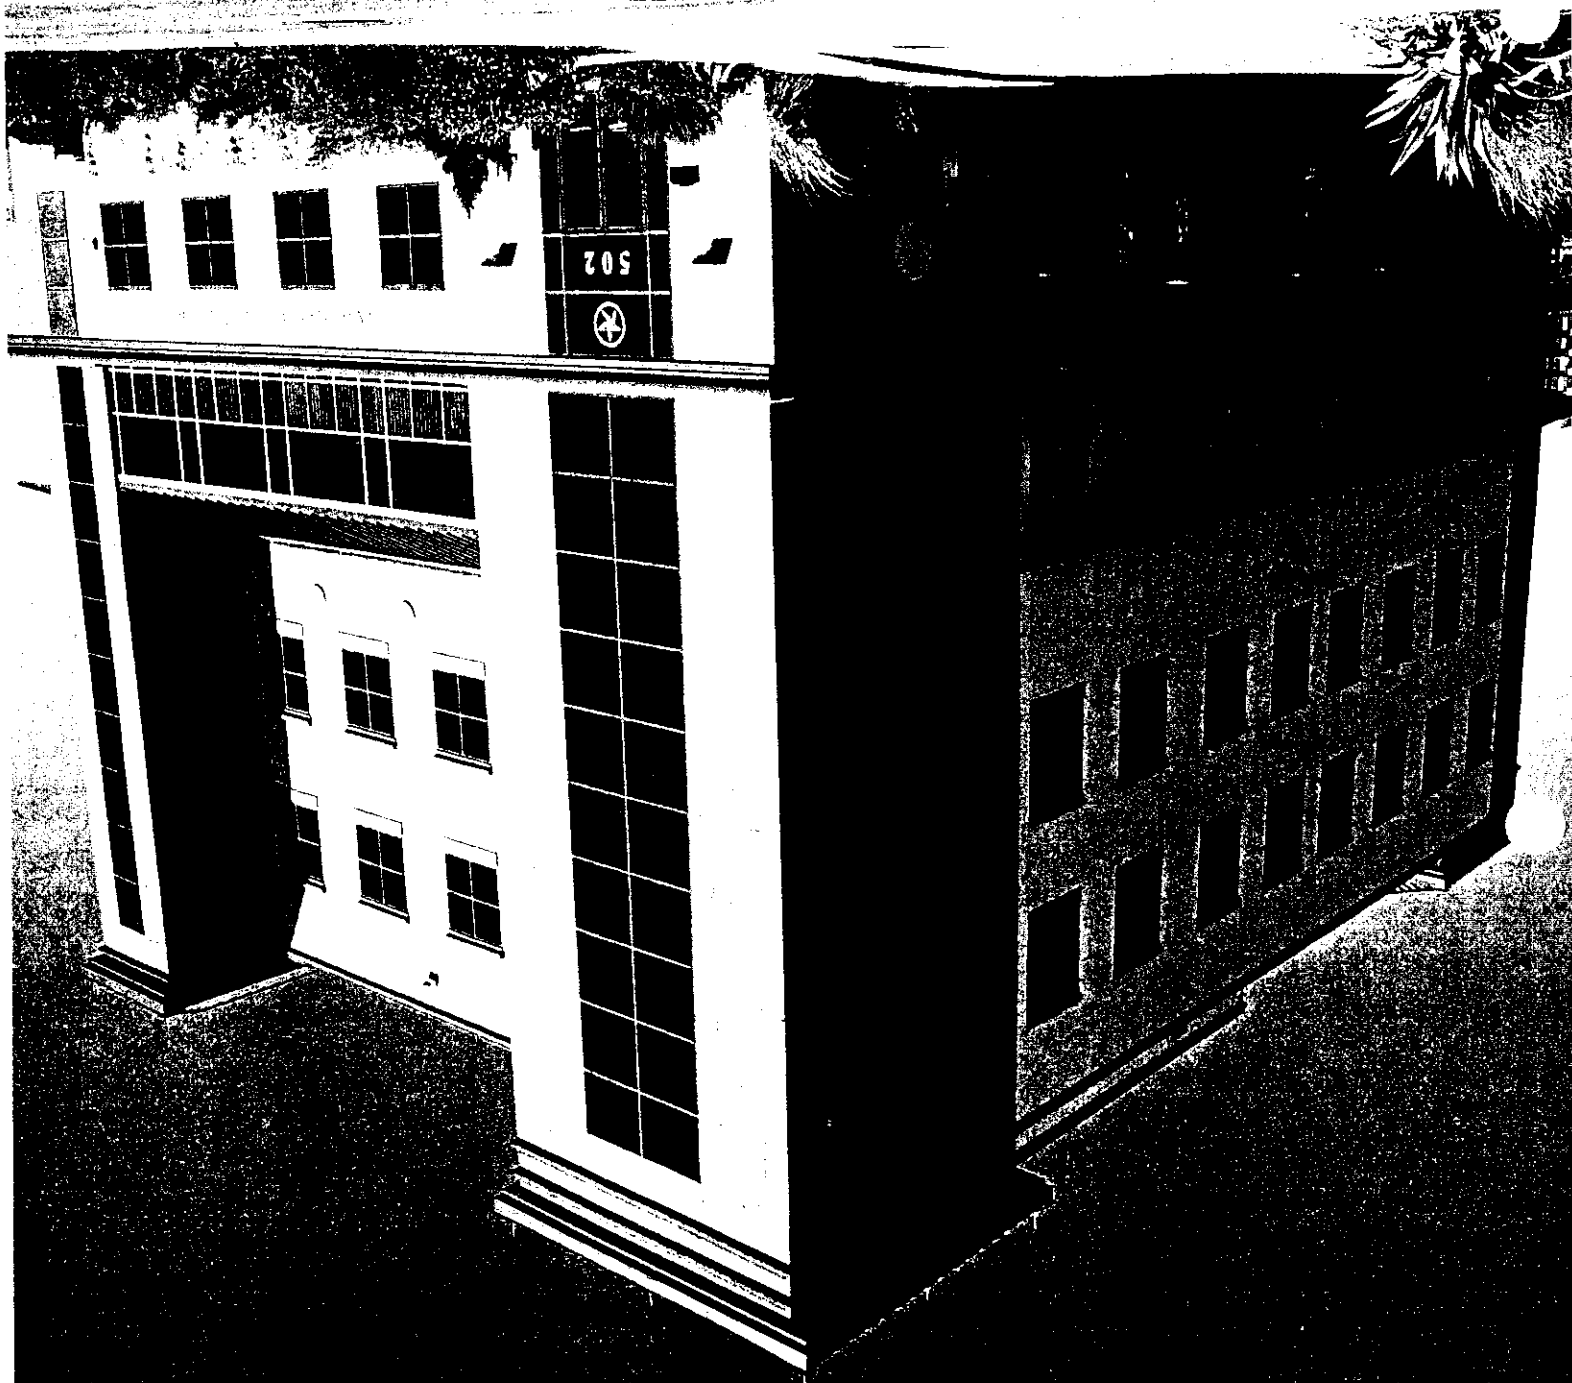

Respectfully,

Ann Arnold

Dear Ms. Maxymof:

Thank you for your tremendous support of the Hispanic Scholarship Fund. Together, we are developing a new generation of leaders that will impact every sphere of our society. I am so proud to share with you the enclosed gift, which tells the stories of just a few of those inspiring role models.

Whether it's in a field of publishing or medicine, higher education or law, the Hispanic Scholarship Fund Alumni Hall of Fame celebrates the incredible stories of Latinos who, through their accomplishments, contributions and lifetime challenges, demonstrate the power of education and mentorship to change a life and change the world. The enclosed calendar shares their stories, in addition to those of two current HSF Scholars who are already powerful role models, actively inspiring younger students to achieve a college education.

I hope you will join me in using and taking pride in this beautiful calendar throughout the coming year. Thank you for your own leadership and your commitment to the higher education of Latinos. I join the staff and Board of Directors of the Hispanic Scholarship Fund in wishing you Happy Holidays and a fulfilling new year.

Sincerely,

Sara Martinez Tucker
President and CEO

P.S. In response to several requests, we are also providing an opportunity for you to purchase additional calendars for your own holiday gift list. Please use the form below to order more calendars and share these inspiring stories with your friends.

San Antonio, TX 78239

Dear Virgil:

Thank you to 99.5 KISS for the sponsorship of the 12th annual "Rock & Roll Up Your Sleeve Blood Drive & Minority Marrow Registration". This event was a tremendous success with 1,011 blood donations and 263 marrow registrants.

The South Texas Blood & Tissue Center must collect ~~140,000~~ units of blood in 2003 to supply over 100 hospitals & clinics in the 43 counties it serves. ~~Because of the efforts of~~ 99.5 KISS, many hospital patients and their families were given a second chance at life. One blood donation can save up to four lives. One marrow registrant may be the "one in a million" donor for a patient in need.

The support of your entire staff made a positive impact on the community blood supply. Thank you again for continuing to lead the way to meeting the blood needs of patients in our community during this critical time of the year.

Sincerely,

Dear Ms. Bruni:

I would like to thank you for all of your hard work, participation, and generous sponsorship of the **Kids Immunization Drive Health & Safety Fair**, which was held on August 2, 2003 at Crossroads Mall. By all accounts it was a most successful event. In addition, I would like to extend a special thanks to you and your sponsors for helping the San Antonio Metropolitan Health District (SAMHD) make the "**Germinator X-Terminator**" concept and Volkswagen "Bug" wrap possible. Your continued participation and support helped to make this event and National Immunization Awareness Month 2003 successful. Our records indicate that a total of **889** children were immunized with a combined total of **1,427** doses of vaccines.

The SAMHD is requesting reimbursement for the administration fees of \$5.00 per shot, which makes the amount due **\$7,135.00**. Please make the check payable to: City of San Antonio Metropolitan Health District.

Ms. Janis Maxymof
99.5 KISS FM, Cox Radio
8122 Datapoint Street, Suite 500
San Antonio, TX 78229

Dear Ms. Maxymof:

Thank you for participating in this year's Hispanic Scholarship Fund – 99.5 KISS Radio Dog Leg Golf Classic held on May 10, 2003. We are deeply appreciative of your generous contribution of \$1,500. *(The fair market value of the goods and services provided in return for your contribution is \$420)*

The money raised through the event will go towards scholarships for deserving Hispanic students from Texas help fulfill their dreams of a college education. We believe the college scholarships that this significant funding makes possible will help to create future Latino leaders for the state of Texas and will thereby enrich our community for years to come.

This is an exciting time for HSF as we grow our programs, expand our outreach and are able to impact the lives of more and more deserving students. In our 28-year history, HSF has awarded over 61,000 scholarships totaling more than \$115 million, including awards made through the HSF Institute that was launched in 2001. We are proud of the fact that our programs are proving successful with 97% of all HSF Scholars receiving their four-year degrees. However, the need continues to outpace our resources, and ongoing support is crucial to helping us achieve our mission to double the rate of Hispanics earning a college degree to 18% by 2010.

Thank you for your wonderful support of the Hispanic Scholarship Fund and our goal to strengthen America by advancing Hispanic higher education. With your continued support, we can insure that America's most talented young people achieve their educational dreams.

Sincerely,

Christopher Padula

Dear Peggy Saunders,

I would like to express my appreciation of your contributing to my academic career. This scholarship means a great deal to me financially and emotionally. I am a very hard working single parent, who takes family providing and school to the heart. As becoming a parent at an early age, I was encountered with many negative feedback. Many including my father, felt that I did not have the potential to succeed in college. For others they felt I was being selfish by attending school. My aunts felt that I should be home with my son at all times. It has been very difficult to refrain from giving into their ideas of parenting, because I genuinely value their approval. At times I feel deeply hurt that they can not accept my success as a parent, a honor student, and a full-time worker. Instead they feel it necessary to talk pessimistically about my choices and goals. I have not received any support from anyone close to me, so when I do receive recognition academically it makes me extremely content, and helps me realize that I am making the right choice. I have grown as an individual and have comprehended that my family is from a different era and view things differently, in which I respect but feel that lifestyle is not possible anymore.

In December 2003, I will graduate with honors, which has been my goal ever since conceiving my child. I truly believe you and other foundations have given me the opportunity to fulfill my dreams, in which I am very grateful for. This scholarship will also help me financial and will motivate me further.

Thank you for your support.

Sincerely,

Janet B. Cruz

Dear Ms. Saunders:

I am extremely happy to find out that I have been selected as a 2002-2003 Hispanic Scholarship Fund/ 99.5 Kiss FM Buzz Band CD Promotion Scholar. This scholarship has arrived at a most-appropriate and at a most-needed time. The \$2,550 will help me cover undergraduate graduation fees and application fees for graduate school. I am extremely grateful for the honor.

I will be graduating from the University of the Incarnate Word on May 10 with a BA in English and a minor in Communication Arts. Though I will, luckily, have a full-time job after I graduate, I plan to focus on applying to and getting into graduate school as soon as possible. I plan to obtain a MFA in Film from the University of Southern California or a MFA in Creative Writing from Columbia or the University of Texas at Austin. This scholarship is extremely helpful in getting my grad school applications turned in. Before I received this scholarship, application fees to various graduate schools posed a problem. However, due to my receipt of the scholarship, this is now not the case. Also, the scholarship, in addition to my job earnings, will help me with student loan payments during the few months after graduation that I am not enrolled in school.

I am so appreciative of your generosity. This award allows me to focus the rest of my senior year on academics and gives me a jump-start towards post-graduate life.

Thank you,

Stephanie L. Hamilton

Peggy Saunders 99.5 Kiss FM
8930 Four Winds
San Antonio, TX 78239

Dear Mrs. Peggy Saunders,

Hi! My name is Jose-Ricardo Peña, Jr. I am writing to you to thank you choosing me to be a 2002-2003 Hispanic Scholarship Fund/99.5 Kiss FM Buzz Band CD Promotion Scholar! I am really proud to be endowed with such an honor! I must tell you that I am a first generation college graduate. I just recently graduated from the University of the Incarnate Word with a Degree in Mathematics in December 2001. I am now pursuing a Master's Degree in Teaching with teacher certification in secondary math at Incarnate Word!

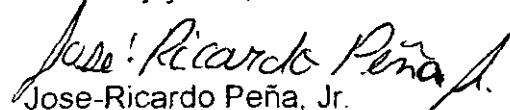

I must tell you how the scholarship will help me. First of all, the scholarship will remind me the importance of continuing my education and earning a college degree. I have to admit that there are times that I lose focus on my dream of earning a Master's Degree and becoming a teacher. In fact, sometimes I feel that I do not have what it takes. Of course, as you may know this is far from being true. With your help, my dreams will come true and I will inspire others to go beyond their potential!

Next, I intend to use this scholarship exclusively for my education. As you may know, college is really expensive. The scholarship will be used for helping me pay my tuition, buying books, paying for lab fees, as well as paying for other needed course material. Because this is my first semester in graduate school, I am required to take the Graduate Record Examination (GRE) to continue my studies within the education program. Therefore, I will use a portion of the scholarship to finance taking the GRE exam.

Lastly, I intend to use the scholarship to remind others that they too can be successful! I think it is important for a scholarship recipient to remind others that working hard will make you successful! Of course, there are many people who work hard simply as a means of obtaining the end result, the reward. Yet, I must say that this is wrong. I personally feel that hard is rewarding when you teach others.

At this time, I would like to say "Thank you!" With your help, I will be able to help others in realizing their own dreams someday! Furthermore, I sincerely hope that the Hispanic Scholarship Fund committee and 99.5 Kiss FM will be able to help other less unfortunate students, like me, in the future. Thank you! God bless!

Sincerely yours,

Jose-Ricardo Peña, Jr.

Dear Alfonso:

Thank you so much for everything La KASA and the KISS crew did for Boysville on Saturday, April 19th at the Seventh Annual Krawfish Festival. You have been most generous to us and we are truly grateful for the partnership that has been built between Boysville, KISS and La KASA.

Letting people in for free after the Spurs game was a great idea and tapped into a different crowd. I know there were some concerns about meeting the expenses of the event and I hope it was successful. KISS and La KASA do so much for Boysville and we are so appreciative.

Please extend our thanks to the rest of the KISS and La KASA gang. Also, to Alex for letting me borrow a security guy for a bit to cover the front gate.

We look forward to being a part of next year's Fiesta event. Your service to the community and to keeping Boysville's mission alive is immeasurable.
